November 2017 – Present – Coordinator Oregon, Washington, Idaho & Alaska

### **Pacific NW Administrator**

In addition to the areas I coordinated, to ensure and track compliance with the expense policy per dog from January 2010 – March 2016 I paid, tracked and reported all vet expenses for the entire Pacific NW including Idaho and Eastern Washington when those areas were coordinated by Heather Fall (2010) and Kathy Armstrong (2011-2016). This ensured our foster homes were compliant when vetting was required for each dog. Additionally I processed adoption contracts and owner relinquishment forms for the entire region during this time. This included ensuring ESRA had all required copies, adopters received copies and complete files were retained at the regional level for each dog.
